

Release to Australian Securities Exchange

Hong Kong Speed Enforcement

20 August 2009

Redflex Traffic Systems Pty Ltd, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce that it has been awarded a tender to supply speed cameras to the Hong Kong Government.

The contract is for 20 radar-based speed-only systems rotating among 100+ fixed locations on Hong Kong roads and freeways. Redflex will supply, install and maintain the camera systems. This contract is worth over AU\$3 million.

Redflex is pleased to be working with the Government of Hong Kong SAR in their endeavours in increasing road safety. This program adds a number of new locations but also upgrades existing wet-film and older-generation digital camera systems supplied by a previous vendor.

Redflex Traffic Systems Pty Ltd manufactures and supplies traffic cameras and processing systems to world-wide markets. Redflex is the market leader in Australia and has either won or is developing significant opportunities in the Middle East, Asia, Africa and Europe.

Redflex Traffic Systems Inc has contracts with more than 240 U.S. cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 21 states, Redflex has consistently led the market in contract wins, system installation rates and market share.
