

## Release to Australian Securities Exchange

### **West Carrollton, Ohio contracts with REDFLEX for a comprehensive speed and red-light enforcement program**

**29 July 2008**

Redflex Traffic Systems, Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the contract award by West Carrollton, Ohio.

Located 15 minutes south of Dayton, West Carrollton is situated within the Dayton Metropolitan and Miami Valley region of Ohio; which has an estimated population in excess of 800,000.

The contract scope includes combination speed-on-green and red-light enforcement at up to 9 locations with a term of three years, plus 2 two-year automatic renewal terms.

“Closing the first month of our new financial year, we are very optimistic about the momentum we are building. Our dedicated and concerted focus on the development of the speed market has resulted in a strong speed orientation in the majority of the six new contracts executed during the month of July, including the State of Arizona contract,” said Karen Finley, CEO Redflex Traffic Systems.

Redflex Traffic Systems Inc has contracts with more than 200 US cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 20 states, REDFLEX has consistently led the market in contract wins, system installation rates and market share.
