

BOARD CHARTER

1. INTRODUCTION

- (a) This charter governs the operations of the Board of Directors (**Board**) of Redflex Holdings Limited (**RHL** or **Company**). It also sets out the principles for the operation of the Board of the Company and describes the functions of the Board.
- (b) Together with the ASX Listing Rules, the Company's Constitution contains the main rules for the composition, election, organisation, powers and authority of the Board.
- (c) Those rules form the basis for this Charter.

2. ROLE AND PURPOSE OF THE BOARD

Role

- (a) The Board is responsible to ensure the Company develops and implements:
 - (i) strategies and supporting policies and procedures to enable the Company to fulfil the objectives set out in the Company's Constitution; and
 - (ii) systems of compliance with its legal and policy obligations and ensure the Company's assets are protected through appropriate risk management strategies.
- (b) The Board must at all times act:
 - (i) honestly, conscientiously and fairly in all respects in accordance with the applicable law and regulations;
 - (ii) in the best interests of the shareholders of the Company; and
 - (iii) in good faith with respect to other stakeholders of the Company.
- (c) The Board's role includes those matters listed in the document entitled "Matters Reserved for the Board" published on the Company's website www.redflex.com.
- (d) The Board may delegate the day to day operation of the Company to management but the Board remains accountable to shareholders and other stakeholders for the Company's performance.
- (e) This Charter and the charters adopted by the Board for the Board Committees have been prepared and adopted on the basis that corporate governance procedures can enhance the performance of the Company and the creation of shareholder value.

Purpose

- (f) The primary purpose of the Board of Directors of the Company is to set the strategic direction of the Company (including setting the strategic and business plans and budgets), to empower management to implement the approved strategic direction and to regularly assess the progress of achievement not only as against the approved strategic direction but also in relation to the Company's overall performance.
- (g) In doing so, each Director will exercise their own critical and independent judgement in the best interests of the Company, as a whole, faithfully discharging their legal and equitable duties as directors. Directors will therefore act independently but support decisions made collectively, and ideally by consensus, by the Board.
- (h) The Board will also ensure that the Company has adequate internal controls, risk and compliance policies and procedures and reporting mechanisms and will regularly assess their effectiveness.

3. MEMBERSHIP

- (a) In accordance with the Company's Constitution and the law, the Board shall consist of a minimum of three Directors of which two Directors must ordinarily reside in Australia.
- (b) The majority of the Board will be independent Non-Executive Directors.
- (c) The Directors will be appointed in accordance with the Company's Constitution and will hold office subject to the Company's Constitution, the Corporations Act 2001 (Cth) and the ASX Listing Rules, as they may apply to the Company.
- (d) While the Board may appoint a new Director at any time, the rules for re-election of Directors by shareholders at an annual general meeting will apply and are defined in the Constitution and the ASX Listing Rules.
- (e) A Director may resign the office of Director at any time by giving written notice to the Company.

4. ACCESS AND INDEPENDENT ADVICE

4.1 Access to Books and Records

In discharging its oversight role, the Board is able to have full access to all books, records, facilities and personnel of the Company.

4.2 Independent Advice

The Board or an individual Director of the Company has the right to seek independent professional advice, as necessary, to fulfil their duties and responsibilities, at the Company's expense, provided that:

- (a) prior written approval of the Chairperson is obtained;

- (b) details are provided of the nature of the proposed advice sought, the proposed adviser and the estimated cost;
- (c) the advice does not extend to matters relating to contractual arrangements or disputes with the Company; and

5. MEETINGS

Meetings of the Board will be conducted in accordance with the Company's Constitution, the Corporations Act 2001 (Cth) and the ASX Listing Rules, as they may apply to the Company.

6. INDEPENDENCE

- (a) Directors of the Company are considered to be independent when they are independent of management and free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect, a Director's capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company and its shareholders generally.
- (b) In the context of Director independence, "materiality" is considered from both the Company and the individual Director perspective. The determination of materiality requires consideration of both quantitative and qualitative elements. An item is presumed to be material (unless there is qualitative evidence to the contrary) if it is equal to or greater than 10% of the appropriate base amount.
- (c) Qualitative factors considered include whether a relationship is strategically important, the competitive landscape, the nature of the relationship and the contractual or other arrangements governing it, and other factors which point to the actual ability of the Director in question to shape the direction of the Company.
- (d) The Board should regularly assess whether each Non-Executive Director is independent.
- (e) Each Non-Executive Director should provide to the Board all information that may be relevant to this assessment.
- (f) If a Non-Executive Director's independent status changes, this should be disclosed and explained to the market promptly and without delay.
