Redflex Executes Six Photo Enforcement Contracts

21 September 2007

Redflex Traffic Systems Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the execution of six photo red light enforcement contracts which includes the cities of Glendale, California; Oroville, California; Bremerton, Washington; Fife, Washington; Monroe, Washington and Granite Shoals, Texas.

Glendale, California

Glendale is the third largest city in Los Angeles County and has a population in excess of 200,000. This contract was awarded to Redflex resulting from a competitive tender process. This is a one year pilot program with extension opportunities and has a program scope that includes 5 red-light systems.

Oroville, California

Oroville is located in Butte County and has a daytime population in excess of 20,000. The scope of the program includes red-light enforcement at up to ten intersections, with a term of five years, plus two 2-year automatic renewals.

Bremerton, Washington

Bremerton is located in Kitsap County and has a daytime population in excess of 50,000. This contract was awarded to Redflex resulting from a competitive tender process. The scope of the program includes red-light enforcement at up to twelve intersections and fixed and mobile speed enforcement in various designated school zones, with a term of five years, plus two 2-years automatic renewals.

Fife, Washington

Fife is located in Peirce County and has a daytime population in excess of 15,000. The scope of the program includes enforcement at up to twenty intersections, with a term of three years, plus two 1-year automatic renewals.

Monroe, Washington

Monroe is located in Snohomish County and has a population in excess of 15,000. This contract was awarded to Redflex resulting from a competitive tender process. The scope of the program includes red-light enforcement at up to ten intersections and mobile speed enforcement in various designated school zones, with a term of three years, plus two 1-year automatic renewals.

Granite Shoals, Texas

Granite Shoals is located in Burnet County. The scope of the program includes enforcement at up to three intersections, with a term of five years, plus two 1-year automatic renewals.

"With these highly competitive contract awards, Redflex continues to sustain its leading market share position in the key markets of California, Texas and Washington, and maintains its position as the most preferred and selected photo enforcement partner in the USA " said Karen Finley, CEO.

Redflex Traffic Systems Inc has contracts with more than 160 US cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 19 states, Redflex leads the market in installed systems, installation rate and market share.
