

Release to Australian Securities Exchange

Appointment of Greenhill Caliburn

6 July 2010

Redflex Holdings Limited announces that it has appointed Greenhill Caliburn to provide an independent assessment of the potential strategic options for Redflex's business.

This follows the receipt of an indicative, non-binding and confidential proposal to acquire all of the issued capital of Redflex by scheme of arrangement from a wholly owned subsidiary of Macquarie Group Limited at a price of \$2.50 per share, advised previously.

Available options will be carefully considered by the Redflex board in conjunction with Greenhill Caliburn. At this stage, no decision has been made to pursue any particular option.
