The Redflex logo features the word "Redflex" in a white, sans-serif font, followed by a stylized green circular icon that resembles a lowercase 'r' or a similar shape.

## Redflex restored as “Responsible Vendor” in Chicago, United States of America

Redflex Holdings Limited (**ASX:RDF**) (**Company**) announces that, in recognition of the extraordinary changes the Company has instituted over the past four years to its leadership, people, culture and risk and compliance practices, the City of Chicago has agreed that Redflex may once again compete for business as a “responsible vendor” to the City.

Following the recently announced Non-Prosecution Agreement by the U.S. Department of Justice, and the recently announced settlement of the qui tam civil litigation<sup>1</sup>, the Company has now resolved all criminal and civil matters in the United States arising out of the Company’s 2013 investigation.

Mr Adam Gray (Chairman), on behalf of the Redflex Board and the Company, stated that:

“We are extremely pleased that the City has taken this significant step to recognise the very meaningful actions undertaken by the new Redflex over these past several years. The Company is strongly positioned, with technology and servicing capabilities, to help our customers around the globe to improve road and pedestrian safety, to profitably grow our business, and to create value for our investors and stakeholders.”
