Release to Australian Stock Exchange

New Contract – Laguna Woods, California

13 July 2005: The Directors are pleased to announce that Redflex Traffic Systems Inc, a company of the Redflex Group, has been awarded a new USA build-own-operate-maintain contract to improve public safety with a photo enforcement program in the city of Laguna Woods in the State of California. Laguna Woods is a city with high traffic volumes in the range of 80,000 vehicles per day in several intersection approaches and is located in south Orange County in the Los Angeles area.

Under the contract executed, Redflex will deliver a red light photo enforcement program for up to six intersection approaches over five years with two options for one year extensions. Redflex will work with the city to install the red light photo enforcement system based upon the discretion of the city and program requirements. The city of Laguna Woods is centrally located within a total population of 137,000 between three adjoining cities. The contract was won in a competitive tender.

Redflex Traffic Systems Inc based in Scottsdale Arizona has contracts with 77 cities world-wide in ten countries and is the largest provider of digital red light photo enforcement services in the USA. With contracts in 62 cities and towns across thirteen states, Redflex has led the market in installed systems, installation rate, and market share over the past 12 months.
