Redflex Executes Two New Photo Enforcement Contracts

5 December 2006

Redflex Traffic Systems Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce its execution of new contracts with the cities of Menlo Park, California and Coppell, Texas

City of Menlo Park, California

The City of Menlo Park has a daytime population in excess of 47,000 and is located between San Francisco and San Jose in San Mateo County.

The contract with the City of Menlo Park is for up to 20 red light enforcement locations with a term of five years plus two two-year automatic renewals.

City of Coppell, Texas

The City of Coppell, Texas has a fulltime population of approximately 40,000, is located in the Dallas Ft. Worth Metroplex and is adjacent to Dallas Ft. Worth International Airport.

The contract with the City of Coppell, Texas is for up to 20 red light enforcement locations with a term of three years plus three one-year automatic renewals.

“With part of Dallas Ft. Worth’s property being located within Coppell’s city limits, we look forward to working with the City of Coppell on the unique traffic demands that are an output of this close proximity to the 3rd largest airport in America” said Karen Finley, CEO.

Redflex Traffic Systems Inc has contracts with over 100 USA cities and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 8 states and photo red light programs across 16 states, Redflex has led the market in installed systems, installation rate and market share over the past 12 months.
