

## **Redflex executes a New Photo Enforcement Contract with the City of Lake Jackson, Texas**

**13 March 2007**

Redflex Traffic Systems Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the execution of its latest photo enforcement contract with the City of Lake Jackson, Texas.

### **The City of Lake Jackson, TX**

The City of Lake Jackson is located in Brazoria County within the Houston-Sugar Land-Baytown Metropolitan Area and has a fulltime population in excess of 27,000.

The contract is for up to 20 intersections with a term of five years with two, two-year automatic renewals.

"Following the clustering growth model we successfully deployed across the Dallas-Ft Worth Metroplex, I am pleased with the rapid expansion into other regions across the State of Texas. This development focuses on areas like the Houston metropolitan area, including our recent partnership with Montgomery County, and now Lake Jackson" said Karen Finley, CEO.

Redflex Traffic Systems Inc has contracts with more than 120 USA cities and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 17 states, Redflex has led the market in installed systems, installation rate and market share over the past 12 months.
