

## **Release to Australian Securities Exchange**

### **New Stop Sign and Speed Enforcement Solution for Mountains Recreation and Conservation Authority (MRCA)**

**26 March 2007**

Redflex Traffic Systems Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the execution of its latest photo enforcement contract with the Mountains Recreation and Conservation Authority (MRCA).

The Mountains Recreation and Conservation Authority (MRCA) is a government entity that comprises a partnership between the Santa Monica Mountains Conservancy, the Conejo Recreation and Park District and the Rancho Simi Recreation and Park District.

The MRCA is responsible for providing enforcement services for almost 55,000 acres of public lands and parks that it owns and that are owned by the Santa Monica Mountains Conservancy or other agencies.

Through a combination of fixed stop sign, fixed speed and mobile solutions; Redflex will be implementing this unique solution in some of the most traveled roads through the heart of Los Angeles.

This contract was awarded to Redflex as a result of a competitive Request for Tender process. The contract is for ten (10) fixed locations and one (1) mobile unit and is for a term of five (5) years with two two-year automatic renewals.

"This is an amazing opportunity that was effectively developed from our robust Redflex platform which enables us to deliver new and valuable solutions that promote increased public safety to our current and new customer-base. We are honored to work with MRCA on implementation of this revolutionary solution that is new to the US marketplace" said Karen Finley, CEO.

Redflex Traffic Systems Inc has contracts with more than 120 USA cities and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 18 states, Redflex has led the market in installed systems, installation rate and market share over the past 12 months.
