REDFLEX Executes Two New Speed and Red Light Enforcement Contracts - Las Cruces, New Mexico and Zachary, Louisiana

23 September 2008

Redflex Traffic Systems, Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the execution of two new contracts with the Cities of Las Cruces, New Mexico and Zachary, Louisiana.

Las Cruces, NM

With a population approaching 90,000, Las Cruces is the second most populous city in the State of New Mexico and is the county seat of Dona Ana County

The contract calls for a comprehensive photo enforcement program with a scope of up to 15 dual enforcement speed and red-light systems. The contract term is five years with two, two-year renewals.

Zachary, LA

Zachary is a city of approximately 15,000, located in northern East Baton Rouge Parish and within an urbanised area population of approximately 550,000.

The contract calls for a comprehensive photo enforcement program with a scope of up to 15 dual enforcement speed and red-light systems and a mobile speed enforcement unit. The contract term is five years with two, two-year renewals.

“With these new contracts, we have executed more speed enforcement contracts in the first quarter of our new financial year than was executed during our entire previous financial year. This increased rate of contract culmination is a positive indication of the successful execution of our focused attention to the cultivation of the speed enforcement sector” said Karen Finley, CEO Redflex Traffic Systems.

Redflex Traffic Systems, Inc has contracts with more than 200 U.S. cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in nine states and photo red light programs across 20 states, REDFLEX has consistently led the market in contract wins, system installation rates and market share.
