

Redflex Traffic Systems Executes Contract in Corona, CA

21 November 2008

Redflex Traffic Systems, Inc, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce its latest contract win in Corona, California.

Corona is located in Riverside County, California and has a growing population of approximately 125,000. The contract calls for up to 30 red light systems and has a contract term of three years with two consecutive automatic one-year renewals.

“REDFLEX currently operates the majority of red light enforcement programs in the state of California and we are pleased to be able to service a populous city like Corona,” said Karen Finley, CEO Redflex Traffic Systems.

Redflex Traffic Systems, Inc. has contracts with more than 225 U.S. cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 22 states, REDFLEX has consistently led the market in contract wins, system installation rates and market share.
