### **Redflex Announces Red Light Enforcement Contract in Middletown, OH**

**20 February 2009**

Redflex Traffic Systems, Inc., a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce the contract award by the city of Middletown, Ohio. This is the 12<sup>th</sup> win in Ohio for the company.

Middletown, with a population of 50,000, is located in Butler and Warren counties between the metropolitan cities of Cincinnati and Springfield. The contract calls for the implementation of up to 24 intersection approaches. REDFLEX was selected after the contract with the previous vendor had expired. The contract term is three years with up to two consecutive automatic two-year renewals.

"The continued growth in the state of Ohio exemplifies the success of our programs already established in the state and the desire of other municipalities to achieve similar safety results," said Karen Finley, CEO Redflex Traffic Systems.

Redflex Traffic Systems, Inc. has contracts with more than 230 U.S. cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 22 states, REDFLEX has consistently led the market in contract wins, system installation rates and market share.
