

Expansion of Qatar Red-Light Speed Program

23 March 2009

Redflex Traffic Systems Pty Ltd, a wholly owned subsidiary of Redflex Holdings Limited, is pleased to announce that it has received an additional order for traffic camera systems in Qatar.

Redflex will supply a further 24 red-light and speed cameras to the State of Qatar - Ministry of Interior. The order is valued at over AU\$1 million. The new cameras will be added to the established network of 86 Redflex systems delivered in 2007.

Ricardo Fiusco, General Manger of Redflex Traffic Systems Pty Ltd, said, "We are proud to be a part of the successful road safety program in Qatar. This win consolidates our leading position in the region."

The traffic safety program in Qatar is one of the largest programs in the region. Qatar is located in the Middle East, bordering the Persian Gulf and Saudi Arabia, and has a population of approximately 900,000.

Redflex Traffic Systems Pty Ltd manufactures and supplies traffic cameras and processing systems to world-wide markets. Redflex is the market leader in Australia and has either won or is developing significant opportunities in the Middle East, Asia, Africa and Europe.

Redflex Traffic Systems Inc has contracts with more than 235 U.S. cities, and is the largest provider of digital red light and speed enforcement services in North America. With photo speed programs in 9 states and photo red light programs across 22 states, Redflex has consistently led the market in contract wins, system installation rates and market share.
